

STATEMENT FROM PROMOTERS – “Thompson” Tour 2005

10th February 2005

Please be advised that there are rumours circulating within the Croatian community that the Marko Perkovic “Thompson” Concerts in Australia scheduled for May 2005 have been cancelled.

These rumours and any other such innuendo are false. Preparations for the tour are in full mode and progressing according to plan. We want to make it clear once again that the above rumours are baseless and untrue.

Sadly, it appears that these rumours are being perpetrated by individuals within the Croatian community who for whatever motive want to sabotage and undermine Marko Perkovic’s visit to Australia and deny the Croatian community the opportunity to be part of one of the most spectacular Croatian musical performances ever to be witnessed.

To that end, we confirm that tickets to the concerts are now on sale and can be purchased on line from Ticketmaster7 for the Sydney concert at www.ticketmaster7.com and Ticketek for the Melbourne concert at www.ticketek.com.

Tickets to the general public will be on sale from 14th February 2005, through Ticketmaster7 (Sydney) ph: 136 100 and Ticketek (Melbourne) ph: 132 849

Please refer to “Ordering Tickets” section of this website for further details relating to ticket sales.

Also keep an eye on this website over the coming days for a personal message from Marko Perkovic himself, which will include a greeting to all of his fans in Australia ahead of his highly anticipated tour.

We would like to take this opportunity to thank our sponsors for their fantastic support to date, as well as all members of the Croatian community who have enthusiastically embraced the upcoming tour.

The community response to the concerts has been overwhelming, and tickets are selling very fast.

Please get in early to avoid disappointment.

Look forward to seeing you at the concerts in May 2005!
